YOUR STUDIO KEEPS

Discovery, typography, colors, photography, client communication, proof approval, printing, billing, and the final brand relationship.

A controlled four-step handoff

1. Scope

Clue count, size, format, and date confirmed before payment.

2. Build

Approved content is placed and any skipped answer is flagged.

3. Proof

Numbering, clue agreement, spelling, and output scale are checked.

4. Deliver

Target: 48 hours after content approval, then one revision.

WHAT THIS IS

A connected freeform wedding crossword built around supplied names and places. It is not a fully filled American newspaper puzzle and it is not a complete newspaper or signage design service.
